REMONSTRANCE
AGAINST REZONING
ANTHONY AT RUDISÍLL

REMONSTRANCE

AGAINST PROPOSED ZONING MAP AMENDMENT

*Signatures
of 164 property
owners*

We the undersigned being the owners of real estate in the immediate vicinity of the area herein after described do hereby remonstrate against the ordinance which proposes to change the classification of the following described real estate from a/an RI District to a/an BIB District.

(Description):

*FOUR LOTS AT NORTHEAST CORNER
OF ANTHONY AND RUDISILL BLVDS., as follows:*

3 lots comprising the west 175' of Lot 23 in South Walton Avenue Acres Add. and Lot 12 in Katherine M. Price's Sub., all located at the northeast corner of Anthony & Rudisill Blvds.

For the following reasons:

1. The proposed zoning map amendment does not follow the general plan for future development of the City of Fort Wayne, Indiana developed by the Plan Commission in January, 1963, and no significant changes in the area of the proposed amendment have occurred since said plan was developed.
2. The master plan as adopted showed the recommended use for the area to be high density residential which is the present use, and the area surrounding the proposed change is residential.
3. That there is no need for additional business zoning in the area to serve the public convenience and necessity since competent business uses are readily available within a three block radius.
4. A proposed amendment constitutes spot zoning since the only business use is on adjacent corner and is a nonconforming use.
